

Foxtail Foods

Foxtail manufactures and sells, pies, cakes, muffins, cookies and a host of other delectable tastes. They have moved in on the “big boys” and taken quite a slice of their pie chart. The power of strong images, with the understanding that quality is perceived, was constant throughout the campaign.

We Know You'd Like What Comes From Our Bakery
(If We Could Ever Get Them Past Our Taste Tester).

*"If you ask me, I've got the best job...deep fudge brownies...
 ummm...at Foxtail Foods.
 You've never seen so many...macadamia nut cookie,
 crunch, munch...a welcome cooking, muffins, fruit and
 cream pies and more. My fellow employees may not
 know how delectable, simple to prepare...ooohhhhh
 French silk pie...and consistent in quality all
 our recipes are. But I sure do...burp...Seeee me."*

*"And when you can whip up as many as 17,000 pies in
 an eight-hour shift...lemon meringue...yum, yum...
 like we can, I stay pretty busy. For delicious, easy to prepare
 and reliable bakery items, give us a call at 1-800-487-2253.
 It's a tough job, but somebody's got to do it. Might
 as well be...chocolate
 chocolate chip
 muffin, gulp...me."*

Introducing Foxtail's New Egg Custard Pies.
 So rich, you would swear we used a couple
 of these.

**Sell an inferior pie and decreasing profit margins
 might not be the only thing you have to face.**

*"We know that in the pie business you're only as good as your last pie,
 so we're constantly taking steps to ensure that ours are the most
 creative (and of course, delicious) creations around. Shee...
 where. That in mind, ask yourself... are my pies going to come me to love here?"
 And if there's the slightest tinking of doubt, give us a ring at 1-800-487-2253.
 Because in our pie, consistency is truly the recipe for success."*
